EDUCATION

Taif University

Bachelor of Science in Computer Science | GPA: 3.89/4.00 | First Class Honors

Taif, Saudi Arabia

Aug. 2021 – Jul. 2026

EXPERIENCE

Cooperative Training – IT & Networking Department

National Water Company – NWC

Jul. 2025 – Aug. 2025

Makkah Region, Saudi Arabia

- Completed a 7-week cooperative training program focused on IT support, networking, and enterprise infrastructure
- Applied CCNA knowledge in real-world network environments, including cabling, connectivity testing, and troubleshooting
- Assisted with Ethernet cabling, IP phone configuration, VPN security setup, and domain integration tasks
- Troubleshoot basic network issues related to DHCP, NAT, VLANs, QoS, and connectivity performance

PROJECTS

EduVision – Intelligent Exam Correction System | *Graduation Project*

- Ranked 5th in the Graduation Projects Competition for EduVision
- Proposed an AI-based system to support faster and more organized paper exam grading
- Applied image processing and machine learning concepts to extract and evaluate students' answers
- Linked exam questions with CLOs and PLOs to support learning outcome measurement
- Designed a dashboard concept to display student results and CLO/PLO achievement percentages

Employee Attrition Prediction | *Neural Networks Course Project*

- Developed machine learning models to predict employee attrition using prepared and analyzed data
- Compared MLP Backpropagation and Gradient Boosting models based on accuracy, precision, recall, and F1-score
- Achieved 93.87% accuracy with MLP and 97.13% accuracy with Gradient Boosting

CERTIFICATIONS

Cisco Certified Network Associate (CCNA)

Cisco

Feb. 2025

CompTIA Security+

CompTIA

In Progress

Target: Sep. 2026

TECHNICAL SKILLS

Networking: TCP/IP, Subnetting, VLANs, Routing, Switching, DHCP, DNS, NAT, VPN, OSPF, ACLs

Cybersecurity: Network Security, Access Control, Authentication, Firewalls, Vulnerability Basics

Tools: Cisco Packet Tracer, VMware, Linux CLI

Programming: Python, C++, SQL, Java

IT Support: Ethernet Cabling, IP Phones, Domain Join

LANGUAGES

Arabic: Native

English: Good working proficiency
